Innovation Is A Many-splendoured Thing - Observatory Of ...

Innovation, in short, is not one thing. It is a many-splendoured thing. It has many 'facets' or aspects, it can look very different, and it can involve very different things and have various aims. The confusion that arises around innovation is, we think, at least in part due to these many different qualities and characteristics of innovation. Jan 1th, 2019
